

# Preliminary Damage Assessment (PDA) Exercise

*Group Participation Encouraged!*

### **Exercise:**

Review each picture. Under your observed damage level category (**Affected**, **Minor**, **Major**, **Destroyed**), enter a Structure Type (TYPE), Occupancy Type (O, R, Secondary) and Assistance Type (INS and/or LO) information.

### **Objective:**

Be able to make a determination of property damage based on FEMA's damage levels and have an understanding of how to enter the information onto the Field Form.
