"Aggregate" Millage Rate*								

* DOR uses county-wide & multi-county millages, then calculates a millage for all other taxing authorities (cities special districts) by dividing the revenue generated by that authority by the total county-wide taxable value. The sum of county-wide & multi-county millages and the rate from the cities and special districts equal the "aggregate" millage rate used by the DOR in their county by county comparisons.

Millage Summary 1994 Final - 2019 Final
