CERTIFICATION OF TAXABLE VALUE INSTRUCTIONS

"Principal Authority" is a county, municipality, or independent special district (including water management districts).

"Taxing Authority" is the entity levying the millage. This includes the principal authority, any special district dependent to the principal authority, any county municipal service taxing unit (MSTU), and water management district basins.

Each taxing authority must submit to their property appraiser a DR-420 and the following forms, as applicable:

- · DR-420TIF, Tax Increment Adjustment Worksheet
- · DR-420DEBT, Certification of Voted Debt Millage
- · DR-420MM-P, Maximum Millage Levy Calculation Preliminary Disclosure

Section I: Property Appraiser

Use this DR-420 form for all taxing authorities except school districts. Complete Section I, Lines 1 through 9, for each county, municipality, independent special district, dependent special district, MSTU, and multicounty taxing authority. Enter only taxable values that apply to the taxing authority indicated. Use a separate form for the principal authority and each dependent district, MSTU and water management district basin.

Line 8

Complete a DR-420TIF for each taxing authority making payments to a redevelopment trust fund under Section 163.387 (2)(a), Florida Statutes or by an ordinance, resolution or agreement to fund a project or to finance essential infrastructure.

Check "Yes" if the taxing authority makes payments to a redevelopment trust fund. Enter the number of DR-420TIF forms attached for the taxing authority on Line 8. Enter 0 if none.

Line 9

Complete a DR-420DEBT for each taxing authority levying either a voted debt service millage (s.12, Article VII, State Constitution) or a levy voted for two years or less (s. 9(b), Article VII, State Constitution).

Check "Yes" if the taxing authority levies either a voted debt service millage or a levy voted for 2 years or less (s. 9(b), Article VII, State Constitution). These levies do not include levies approved by a voter referendum not required by the State Constitution. Complete and attach DR-420DEBT. Do not complete a separate DR-420 for these levies.

Send a copy to each taxing authority and keep a copy. When the taxing authority returns the DR-420 and the accompanying forms, immediately send the original to:

Florida Department of Revenue Property Tax Oversight - TRIM Section P. O. Box 3000 Tallahassee, Florida 32315-3000

Section II: Taxing Authority

Complete Section II. Keep one copy, return the original and one copy to your property appraiser with the applicable DR-420TIF, DR-420DEBT, and DR-420MM-P within 35 days of certification. Send one copy to the tax collector. "Dependent special district" (ss. 200.001(8)(d) and 189.403(2), F.S.) means a special district that meets at least one of the following criteria:

- The membership of its governing body is identical to that of the governing body of a single county or a single municipality.
- All members of its governing body are appointed by the governing body of a single county or a single municipality.
- During their unexpired terms, members of the special district's governing body are subject to removal at will by the governing body of a single county or a single municipality.
- The district has a budget that requires approval through an affirmative vote or can be vetoed by the governing body of a single county or a single municipality.

"Independent special district" (ss. 200.001(8)(e) and 189.403 (3), F.S.) means a special district that is not a dependent special district as defined above. A district that includes more than one county is an independent special district unless the district lies wholly within the boundaries of a single municipality.

"Non-voted millage" is any millage not defined as a "voted millage" in s. 200.001(8)(f), F.S.

Lines 12 and 14

Adjust the calculation of the rolled-back rate for tax increment values and payment amounts. See the instructions for DR-420TIF. On Lines 12 and 14, carry forward values from the DR-420TIF forms.

Line 24

Include only those levies derived from millage rates.

MAXIMUM MILLAGE LEVY CALCULATION PRELIMINARY DISCLOSURE INSTRUCTIONS

General Instructions

Each of the following taxing authorities must complete a DR-420MM-P.

- County
- Municipality
- Special district dependent to a county or municipality
- County MSTU
- Independent special district, including water management districts
- Water management district basin

Voting requirements for millages adopted by a two-thirds or a unanimous vote are based on the full membership of the governing body, not on the number of members present at the time of the vote.

This form calculates the maximum tax levy for 2023 allowed under s. 200.065(5), F.S. Counties and municipalities, including dependent special districts and MSTUs, which adopt a tax levy at the final hearing higher than allowed under s. 200.065, F.S., may be subject to the loss of their half-cent sales tax distribution.

DR-420MM-P shows the preliminary maximum millages and taxes levied based on your proposed adoption vote. Each taxing authority must complete, sign, and submit this form to their property appraiser with their completed DR-420, Certification of Taxable Value.

The vote at the final hearing and the resulting maximum may change. After the final hearing, each taxing authority will file a final Form DR-420MM, Maximum Millage Levy Calculation Final Disclosure, with Form DR-487, Certification of Compliance, with the Department of Revenue.

Specific tax year references in this form are updated each year by the Department.

Line Instructions

Lines 5-10

Only taxing authorities that levied a 2022 millage rate less than their maximum majority vote rate must complete these lines. The adjusted rolled-back rate on Line 10 is the rate that would have been levied if the maximum vote rate for 2022 had been adopted. If these lines are completed, enter the adjusted rate on Line 11.

Line 12

This line is entered by the Department of Revenue. The same adjustment factor is used statewide by all taxing authorities. It is based on the change in per capita Florida personal income (s. 200.001(8)(i), F.S.), which Florida Law requires the Office of Economic and Demographic Research to report each year.

Lines 13 and 14

Millage rates are the maximum that could be levied with a majority or two-thirds vote of the full membership of the governing body. With a unanimous vote of the full membership (three-fourths vote of the full membership if the governing body has nine or more members) or a referendum, the maximum millage rate that can be levied is the taxing authority's statutory or constitutional cap.

Line 16

Check the box for the minimum vote necessary at the final hearing to levy your adopted millage rate.

Line 17

Enter the millage rate indicated by the box checked in Line 16. If the proposed millage rate is equal to or less than the majority vote maximum millage rate, enter the majority vote maximum. If a two-thirds vote, a unanimous vote, or a referendum is required, enter the proposed millage rate. For a millage requiring more than a majority vote, the proposed millage rate must be entered on Line 17, rather than the maximum rate, so that the comparisons on Lines 21 through 25 are accurate.

All TRIM forms for taxing authorities are available on our website at http://floridarevenue.com/property/Pages/Forms.aspx

TAX INCREMENT ADJUSTMENT WORKSHEET INSTRUCTIONS

Property appraisers must complete and sign Section I of this worksheet and provide it with form DR-420, *Certification of Taxable Value*, to all taxing authorities who make payments to a redevelopment trust fund under:

- s. 163.387(2)(a), Florida Statutes, or
- An ordinance, resolution, or agreement to fund a project or to finance essential infrastructure.

"Tax increment value" is the cumulative increase in taxable value from the base year to the current year within the defined geographic area. It is used to determine the payment to a redevelopment trust fund under:

- s. 163.387(1), F.S. or
- An ordinance, resolution, or agreement to fund a project or finance essential infrastructure. In this case, the taxing authority must certify the boundaries and beginning date to the property appraiser.

"Dedicated increment value" is the portion of the tax increment value used to determine the payment to the redevelopment trust fund. (See s. 200.001(8)(h), F.S.) Calculate the dedicated increment value on this form and enter on either Line 6b or Line 7e.

"Specific proportion," used to determine whether to complete Line 6 or Line 7, refers to the calculation of the tax increment payment. Examples:

• Example 1.

Section.163.387(1), F.S., states the payment made by the taxing authority should equal 95% of the millage levied times the tax increment value. The specific proportion in this case is 95%. The ordinance providing for the payment may set a percentage lower than 95%. In these cases, the lower percentage would be the specific proportion.

• Example 2.

Some required tax increment payments are not directly related to the tax increment value. A constant dollar payment is a payment not based on a specific proportion of the tax increment value. Line 7 converts these payments into a proportion based on the prior year's payment and tax increment value to reach the current year's dedicated increment value.

Section I: Property Appraiser

A. Complete Section I of this form for each county, municipality, independent special district, dependent special district, and MSTU that:

- Has a tax increment value and
- Is not exempted from making payments to a community redevelopment trust fund based on tax increments (s. 163.387(2)(c), F.S.).

If a taxing authority has more than one tax increment value, they must complete a separate form for each tax increment value. Send a copy to each taxing authority with the DR-420 and keep a copy. When the taxing authority returns the completed forms, immediately send the original to:

> Florida Department of Revenue Property Tax Oversight Program - TRIM Section P. O. Box 3000

Tallahassee, Florida 32315-3000

B. Enter only tax increment values that apply to the value located within the taxing authority indicated.

Section II: Taxing Authority

Complete Section II of the form, keep one copy, and return the original and one copy to your property appraiser with DR-420 within 35 days of certification. Send one copy to your tax collector.

Additional Instructions for Lines 6 and 7

Complete Line 6 if the payment into the redevelopment trust fund is a specific proportion of the tax increment value.

Complete Line 7 if the payment is based on a calculation other than a specific proportion. Do not complete both Lines 6 and 7.
